Projects

- **Coffee shop website**

A coffee shop website with a warm, inviting design showcases the menu, shop story, and location, offering features like a dynamic menu filter, contact forms, and Google Maps integration. It uses HTML, CSS for styling, and JavaScript for interactive elements like sliders, form validation, and responsive design.

- **Disney Hotstar clone**

A Disney+ Hotstar clone is a video streaming website with features like a homepage carousel, categorized content, a search bar, user authentication, and video playback, designed using HTML, CSS, and JavaScript.
